ORDERING INFORMATION AND TERMS

3 CONVENIENT METHODS OF PAYMENT

1. PAYMENT WITH ORDER - DEDUCT 5% CASH DISCOUNT
2. 1/3 DOWN PAYMENT - BALANCE C.O.D.
3. OPEN ACCOUNT TO WELL RATED ACCOUNTS

PAYMENT WITH ORDER Many customers prefer to operate on a cash basis, and since payment with order reduces bookkeeping expense we offer a 5% cash discount when your check or money order is sent along with your order. Also, cash orders will be processed immediately, since credit does not have to be checked. Reference: The First National Bank of Clayton, Clayton, Mo.

1/3 CASH - BALANCE C.O.D. If you desire, your order may be shipped C. O. D. Enclose check or money order for one-third the amount of your order. You will then pay the balance and delivery charges on arrival of the merchandise.

OPEN ACCOUNT You may order on an account basis if you are well rated in Dun & Bradstreet, or if you furnish 3 satisfactory bank or commercial references. Open account invoices are due and payable net, (no discount allowed) by the 1st of the month following date of invoice. To avoid the usual delay caused by checking credit references, it is suggested that your check be sent with your initial order. The customary 5% cash discount should be taken on such orders.

WHEN ORDERING Be sure to specify quantity, color, size, and item number where indicated. Give shipping instructions, otherwise our Traffic Dept. will route shipment by the most economical method, rail or truck freight, express or parcel post. Freight and express shipments will be made "Freight Collect". Parcel post (and prepaid express or freight charges when necessary) will be billed separately on cash orders, or added to open account invoices.

PRICES All prices subject to change without notice. Prices quoted are F.O.B. factory unless otherwise stated.

DELIVERY Shipment of your order will be made within one to three weeks of the date your order is received. Many items can be shipped within the week your order is received. In case of unusual delays you will be notified.

INSPECT YOUR SHIPMENTS ON ARRIVAL When shipments are delivered by the carrier inspect them carefully before signing for them. Be sure that you are receiving the exact number of packages shown on the bill of lading. Visible signs of damage should be called to the attention of the carrier and a notation should be made on all copies of the freight or express bills before signing. Merchandise should be unpacked promptly in order to check for possible concealed damage or shortage. If concealed damage or shortage is discovered, report same to carrier at once and ask that the shipment be inspected. If it is necessary to file a claim against the carrier, our Traffic Dept. will render every possible assistance but it should be kept in mind that it is the customer's responsibility to file the claim. No merchandise should be returned without our specific authorization.

We will not be liable for failure or delay in delivery of merchandise due to acts of God, explosions, transportation, accident, fire, strike, labor disputes, civil or military authority, war or insurrection, failure or refusal of our suppliers, or other causes beyond our reasonable control.

ORTHOPEDIC INNERSPRING MATTRESS and BOX SPRING

Spine-A-Liner Posture protector
ALINES YOUR SPINE WHILE YOU RECLINE

THE SPINE-A-LINER IS AN EXTRA-FIRM, EXTRA-COMFORTABLE INNERSPRING MATTRESS with just the right tension, firmness and resilience for natural healthful sleep without strain on nerves and muscles. Designed orginally for backache sufferers, it has been widely accepted for commercial and hotel use because it does away with "Mattress Sag" and gives extra support for the overweight. The extra-sturdy qualities of the Spine-A-Liner tempered innerspring unit also provide seat-edge support and prevent sidewall sag. Guaranteed for ten years.

Folds to 6" Width for Storage

Port-a-cribs pay for themselves in no time at all with a small rental charge. No need for lots of extra storage space with Port-a-cribs – they fold to a handy 6" width – easy to carry and set-up quickly. They are made of high-quality, hand-rubbed hardwood in lovely, satin-smooth natural finish. Large size – 27" x 42".

Compare Port-a-crib's price with the price of both a baby bed and play pen. And remember, our low, low price includes a custom-built, wet-proof mattress. ORDER TODAY!

Buy three cribs at a time and save freight – three Port-a-cribs ship for the same price as one.

HANDSOME, USEFUL ACCESSORIES

Custom-Made for Port-a-cribs

FORM-FITTED SHEETS

Slip-over corners hold form-fitted sheets securely on mattress. Port-a-crib sheets are made from 80-square white percale bias bound with 180 percale. Easy to wash, require no ironing.

Low Cost Luxury Carpeting by Luxor

...an entirely new concept in floor covering that combines beauty with the other rugged qualities so necessary for commercial use.

100% VIRGIN NYLON HI-PILE TWEED CARPET WITH FULL LATEX FOAM RUBBER CUSHIONING

Permanently Bonded To The Nylon Pile (No Extra Padding To Buy)

Here's a carpet that has been specifically designed and engineered for Hotels, Motels, and Commercial buildings. Made of wear resistant nylon tight twist yarns, the carpet retains its beauty under severe service. Actually engineered to your service, it is a rare combination of beauty and other features that really count. Moderate original cost, low installation cost, low cost maintenance and long service for your type of floor traffic makes it the best carpet buy on the market today.

12 Foot Width Broadloom

ONLY $5.99 Square Yard

In Roll Quantities (120 - 140 Sq. Yards)

For Cut Orders, Add 15%

Original cost is reduced because no other carpet padding is necessary, and it permits easy installation even by non-professionals. Combined carpet and carpet cushion is not only less expensive, but Better than where the two are used separately. It ADDS comfort and enjoyment making the carpet feel soft and luxurious. It reduces noise, cushions shock, adds resiliency and anchors the carpet.

The foam rubber backing prolongs carpet life by absorbing the grinding and crushing of pile, by filling in unevenness of floors, by making vacuuming more effective by increased air space.

FEATURES

- Luxury look and luxury feel at a surprisingly low price.
- 100% virgin nylon solution dyed twist loops, proved wear-resistant, stain resistant and color fast.
- Easy to install. Non-repeat tweed pattern prevents seam-matching waste.
- Easy to maintain. Cleans with ease and should a damage occur, it's ideal for do-it-yourself repairs.
- Choice of 3 attractive colors: Beige and White Tweed, Brown and White Tweed, Black and White Tweed.
- Can be cemented directly on concrete slab or any other floor surface eliminating tack strip.
- Complete installation instructions included with each order. The manufacturer recomends the following adhesives be used on every installation:

Rubber Latex Non-inflamable Adhesive (One gallon covers approximately 40 – 60 sq. yds.)
1 gallon can $4.75
10 gallons or more, per gallon. 4.25
Seam Cement – Provides Invisible Joints (One quart covers 50 linear yds.)

Mirrors

- Beautify your units
- Soften angular rooms
- "Enlarge" smaller units
- Lend elegance to all units

MEAN *Repeat* BUSINESS

. . . Yes, **repeat business!** That's of primary interest to you and all motel owners. You can give a light, bright, clean look to dark areas: you can lend elegance to your fine furnishings with crystal-clear reflection; you can give spaciousness to small crowded units . . . **all** with mirrors! Rooms beautified with mirrors mean sure **rentals** for those "Take-a-lookers"!

Van Gilder electro-copper back Venetian-type wall mirrors are of the finest polished plate glass, with ½" bevel, wood drum back and rust-proof chrome clips. Ready to hang. Individually packed.

STARLINE BATHROOM VANITIES

TRUE ELEGANCE AT MODERATE COST

Almost a must for every new, modern bathroom installation and the easiest, most effective, yet inexpensive item you can add when modernizing and up-grading existing bathrooms.

The entire cabinet, including counter top and edges, is sheathed in Pionite High Pressure Laminated Plastic that is impervious to alcohol and fruit juices, defies scuffs, dents, scratches, chipping, cracking and breaking, and is remarkably resistant to cigarette burns, heat, boiling water and fading. (Solid, one piece cast porcelain enameled top, in color of your choice, is furnished on Model 1-P).

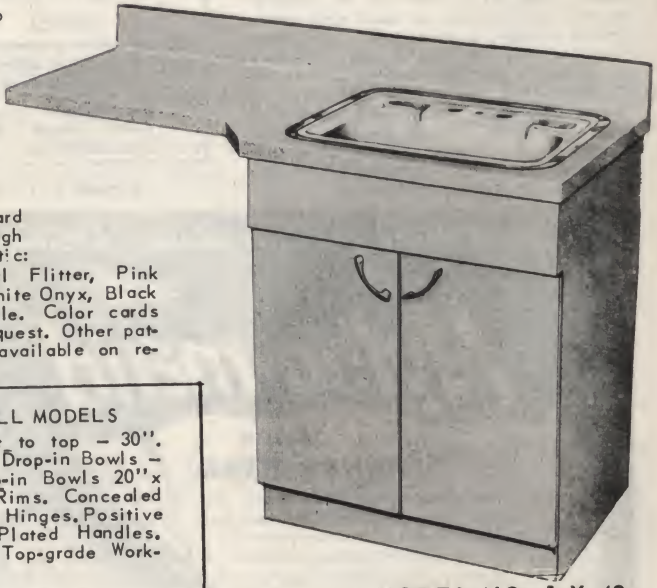

Models No. 1 and No. 1x42 are available with choice of steel or cast porcelain enameled bowl, in white or in any color desired to match all major brand bathroom enamelware, or without bowl and rim. Vanities ordered with bowl are set with rim caulked in at factory. Vanities ordered without bowl can be furnished with cut-out to your specifications for $1.50 extra.

24" Width Vanity **MODEL NO 1-P**

DOLE VALVES ON YOUR SHOWERS SAVE WATER

● *Reduce Water Heating Cost* ● *Provide Greater Comfort For Your Guests*

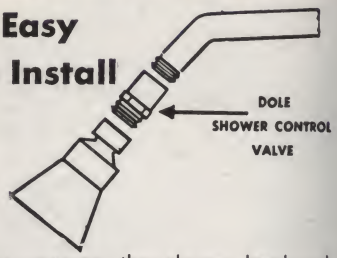

These amazing valves control the flow from the shower head, assuring the correct amount of water for the most comfortable shower while preventing waste. Your guests are assured of a fully satisfying shower at all times. The shower spray will never turn to a trickle just because another shower is turned on. It will never become a torrent just because another shower is turned off.

HOW THE DOLE FLOW CONTROL VALVE WORKS

With Dole Valves on all your shower heads, you will save up to several gallons per minute on each one every time a shower is taken. This can mean thousands of gallons a day, millions of gallons a year. In addition, because it eliminates wasted hot water, You will reduce your water heating costs, too. In actual recorded cases, Dole Flow-Control Shower Valves have provided savings of 4 times their cost the very first year after installation.

Easy to Install

Simply unscrew the shower head and screw the Dole Valve on the threads of the shower arm. The shower head then screws into the end of the valve...no adjustment required...only a wrench is needed.

$3.40 Each (1 to 11)

$2.95 Each (12 or more)

DELUXE STEEL SHOWER CABINETS

Model 46

Model	Size	Weight	Receptor	Price
46-30	30x30x75	100 lbs.	Black enameled steel	$37.50
D46-30	30x30x75	100 lbs.	Porcelain enameled steel	44.50
46-32	32x32x75	100 lbs.	Black enameled steel	39.50
D46-32	32x32x75	100 lbs.	Porcelain enameled steel	47.50

Furnished complete with chrome plated trim, self-cleaning shower head and arm, two way mixing valve, soap dish, and plastic curtain. All fittings and drains of polished chrome plated brass. Porcelain enamel bases are blue and white. Concealed shower unit for right or left connections. Panels finished in gloss white baked enamel; white top frame. Simple installation – one man can completely assemble the unit very rapidly. No bolts or screws necessary. All panels reversible interlocking type, except No. 46 Series. Modern in design; built to a high quality. Leakproof – Rigid. Recessed base ring.

Model 49

Model	Size	Weight	Receptor	Price
49-30	30x30x76	100 lbs.	Black enameled steel	$44.95
C49-30	30x30x76	245 lbs.	Castone - Natural, Red	54.95
49-32	32x32x76	100 lbs.	Black enameled steel	47.95
C49-32	32x32x76	290 lbs.	Castone - Natural, Red	59.95

Model 50E

Model	Size	Weight	Receptor	Price
50E-30	30x30x76	120 lbs.	Non-slip enameled steel	$49.95
50E-32	32x32x76	.20 lbs.	Non-slip enameled steel	54.95
50E-36	36x36x76	130 lbs.	Non-slip enameled steel	64.95
C50E-30	30x30x76	245 lbs.	Castone - Natural, Red	59.95
C-50E-32	32x32x76	300 lbs.	Castone - Natural, Red	62.95
C50E-36	36x36x76	405 lbs.	Castone - Natural, Red	77.95

Entire entrance is framed and electrically welded into ONE SOLID UNIT. This makes a pre-square unit, absolutely straight and perpendicular, preventing sagging to one side, even with the weight of a shower door. No bolts used. Not only are panels reversible and interlocking, but also top ring and receptor interlock, making the most rigid stall on the market. This is an easily assembled unit. The extra deep receptor prevents leakage or overflow.

PLEASE YOUR GUESTS

Individual bath mats are demanded by your guests. Sanitary protection is more than a luxury. It is a necessity. It is something they desire and ask for. Let them bathe with the protection (and comfort) offered by an individual, disposable bath mat.

Disposable Bath Mats are economical compared with the initial cost, the replacement cost and laundering costs of cloth bath mats. They have a pleasing embossed texture that makes them skidproof. They can be used inside the tub as well as outside for protection against slipping and falling. You may have your choice of three attractive, colorful designs, and if a personalized mat is desired, your name can be imprinted on the mat, or a completely new special design can be created. Order a trial supply today.

PEPPERELL SHEETS AND PILLOWCASES

WITH THE NEW REVOLUTIONARY NO-IRON FINISH HAT ELIMINATES IRONING AND CUTS YOUR LAUNDRY EXPENSE

AVAILABLE IN TWO QUALITIES: FINE COMBED PERCALE, AND FINE MUSLIN, in Twin Size 72x108 & Twin Size SLIP-ON for extra easy bed-making, and FULL Size 81x108 (also 81x99 in Muslin) and Double Size SLIP-ON. Pillowcases, sizes 42x36 in Muslin and 42x38½ in Percale.

ow it is possible to make tremendous savings in your linen expense by using no-iron sheets d pillowcases. Since they need no ironing, laundering becomes relatively easily and inex-nsive, and a much smaller supply of no-iron sheets and pillowcases is required since they n be laundered in just a few hours.

EVOLUTIONARY NEW NO-IRON FINISH makes these labor-saving sheets and pillowcases mpletely machine washable and gives them a smooth fresh appearance whether they are mble dried in an automatic dryer or line dried. They do not require ironing to make them look fresh and new as ever!

DVANTAGES NO ORDINARY SHEET CAN OFFER.

(1) Shrinks less than ordinary sheets of the same quality
(2) Not affected by any type of bleach
(3) Mildew resistant, odor free and soil resistant
(4) Dries faster, with remarkable recovery from mussing and wrinkles.
(5) Needs no special care, can be washed at home or by a commercial laundry
(6) Stays whiter, will not yellow

IMPORTANT: PEPPERELL TELLMARK ON EACH SHEET IDENTIFIES ITS SIZE IN THE LINEN CLOSET

EPPERELL RED LABEL
ine Muslin Features:

- Woven with an average of 131 threads per square inch
- Fine quality with long wear
- Fine even weaving
- Rugged Strength
- Tapered-tape selvages keep edges from breaking

LADY PEPPERELL
Fine Combed Percale Features:

- Woven with an average of 183 threads per square inch
- Combing removes short fibres and gives sheets silky smoothness
- Extra fine quality and appearance for those who want the best
- Easier to launder because they are light weight
- Tapered-tape selvages to save breakage at edges

UniMac LAUNDRY EQUIPMENT

A UniMac washer-rinses-extractor combination and a UniMac dryer are all you need to do the bulk of your laundry—bath towels, spreads, etc. This high speed equipment easily handles no-iron sheets and pillow cases as well.

UniMac Dryer, Twin 400 and Ironer

With an ironer you easily handle conventional sheets, pillow cases and restaurant linens.

Blankets, quickly processed without shrinkage or felting, stay beautifully soft.

UniMac saves on laundry service-no delays, no counting, no checking, no losses! UniMac's fast, gentle washing action reduces necessary inventory 50% and increases life of linens.

CHECK THESE FEATURES:

The UniMac washer-rinse-extractor combination of heavy duty stainless steel construction, is engineered for trouble free operation.
Comes fully equipped with heavy duty electrical and plumbing connections. Easy and inexpensive to install, maintain and operate.
Fingertip control of washing cycle, temperature and water level.
Fast and thorough rinse-extraction. Automatic safety brake stops extractor in seconds when cover is raised.
No vibration. No bolting to floor.

Bugmaster COMPLETELY AUTOMATIC INSECT KILLERS DESIGNED FOR HEAVY-DUTY COMMERCIAL USE

MODEL G

$14.95 Each

BUGMASTER CRYSTAL REFILLS: Box of 6 – $3.95.

Big, powerful, especially designed for use in clothing stores, restaurants, factories, hotels, on farms and in basements. Practical and marvelously effective in any establishment where insect control is important. Bugmaster Model G is fully automatic.....requires no attention except to add Bugmaster Crystals about once a month. JUST PLUG IT IN AND FORGET IT!

Continuous operation means continuous protection! One unit takes care of approximately 12,000 cubic feet. For larger areas, additional unit or units should be used for insecticide results.

Normal Capacity: 6,000 cubic feet

Hundreds of thousands of these amazing automatic electric bug killers are in constant use all over America and in many foreign countries. All you have to do is plug in Bugmaster..and forget it! Powerful, invisible, odorless vapors deal death to insect pests...with no odor or other indication that it is in operation.

There's no messy spray or greasy stain when you use Bugmaster. JUST PLUG IT IN AND FORGET IT!

BUGMASTER CRYSTAL REFILLS: Box of 6 – $3.95.

MODEL H

$8.95 Each

Both Model H and Model G Bugmaster units are designed to operate continously: both are decorator pieces, acceptable in the finest establishment: both are electric, fully automatic and available in yellow, black, green. Both are for commercial use.

ALL BUGMASTERS GUARANTEED FOR ONE FULL YEAR
UNDERWRITERS LABORATORY APPROVED

BUGMASTER SHELF AND DRAWER PAPER

Simply line shelves and drawers with this attractive paper and bugs drop dead! Safe, positive, economical! Ants, cockroaches, silverfish, moths, and other insect pests are killed within minutes after contact with Bugmaster paper. Odorless-Safe-Attractive as any fine shelf paper. Roll 13" x 40 ft.

DIAL AND CHIFFON GUEST BAR SOAP

DIAL SOAP NOW IN COLORS.....GOLD, PINK OR AQUA

More Than Ever, Guests Will Think You Pay Almost Twice As Much For Dial, Because They Do! Yet Dial Soap Costs You No More Than Other Popular Brands!

All colors of Dial available in 3/8 oz., ½ oz., ¾ oz., 1 oz., 1¾ oz. or 2½ oz. sizes.

FREIGHT PREPAID SHIPMENTS

Orders for 5 boxes or more of Dial or Chiffon Soap shipped freight prepaid anywhere in U.S.A. Stock wrapped or unwrapped Dial or Chiffon Soap can be assorted in color, size or brand for prepaid freight and quantity prices. Imprinted personalized wrapped soap must be ordered in multiples of 5 boxes of a size, color and brand to obtain quantity price.

Chiffon is Armour's quality white, fresh-scented hard-milled complexion soap. It has the advantages of greater mileage, higher soap content, less soft dish softening and less bar breakage. It also sells for $1.00 less per box than the Dial prices shown below.

THE "LITTLE GIANT" SPACESAVER

COMBINATION REFRIGERATOR AND RANGE

Now you can easily and economically add kitchen facilities to your rental units using less than 3½ square feet of floor space for range and refrigerator. Model E67/2BE features twin electric range elements plus a convenient work area above its 2 cubic feet refrigerator yet is only 20¾" wide, 22¼" deep. Its 36" height is just right, too. Your higher rental, because of these added facilities, will permit you to recover your cost for the unit in a short time and then recover it again and again.

ADDITIONAL SPECIFICATIONS

Completely noiseless, the refrigerator operates on the absorption principle, has no moving parts. Includes Freezer compartment complete with 2 aluminum ice trays, drip tray and evaporator cover.

Unit plugs into any ordinary electrical outlet, operates on AC or DC current, 110-115 Volts, 95 Watts.

All steel white baked enamel cabinet and range top. Refrigerator has one piece high impact plastic liner for better insulation and easy maintenance.

Full five year warranty on cooling unit. One year guarantee on all other parts. Weight: 88 lbs.

The Perfect Interior Paint
For walls and woodwork!

Scrubbable, Odorless

Rubber Latex
SATIN-FLAT

Retail $6.49 Gal.

Spreads like magic,
giving unusual coverage
(450 to 550 sq. ft. per gal.)

Ready to use—no thinning—dries in minutes to a rubber—tough dirt-and-water-repellant surface. Room is ready for immediate use. Super-durable it will even withstand repeated scrubbing with household cleaners, after curing. Requires no primer or sealer-can be used on almost any surface. Rollers, brushes, splatters, etc. clean easily with warm soapy water. Choice of beautiful House and Garden Decorator colors: Blossom Pink, Sunbeam Yellow, Mint Green, Pebble, Carnation, Sandtone, Turquoise, Spruce, Powder Blue, Platinum Gray, Sky Blue, Willow Green, Clover Pink, Blue Jay, Ivory, Swan White (absolutely non-yellowing) and Flame (55¢ per gallon extra).

Rubber Latex Satin Flat **$4.49 gal.**

BLUE RIBBON

One-Coat

Outside White

House Paint

Retail $6.99 Gal.

Extra high titanium pigment content enables this paint to cover as well as 2 coats of ordinary paint. Self-cleaning and mildew resistant, it retains its snow-white glossy finish the entire life of the paint film-as long as 4 years or more. Requires no primers except on new wood or badly worn surfaces.

Blue Ribbon One-Coat White House Paint . . **$4.69 gal.**

BRITE-KROME

All Purpose

ALUMINUM PAINT

Retail $4.89 Gal.

High quality, long lasting, fast drying and smooth, Brite-Krome is formulated to withstand rain, wind, sleet, snow and sun, giving maximum protection for years. It will resist heat temperatures up to 600 F., can be used on furnaces, boilers, radiators, smoke stacks, etc. in addition to general use on all types of surfaces and materials, indoors and outdoors. Often used as a sealer over porous surfaces and will eliminate staining which may bleed through ordinary paint.

Brite-Krome All Purpose Aluminum Paint . . **$3.79 gal.**

Staley's 1st. Quality Paint and Enamel Thinner

A scientific blend of fine volatile thinners for thinning oil paints. Removes dirt, wax, etc. Cleans brushes. Economical-preferred by professionals. $1.04 gal.

* Rollers and Trays

Staley's Challenger Roller and Tray Set (7" width) $1.48
Rollers, only (without tray) 73
Roller covers, only (choice of lambswool or mohair) 53

Rubberized

One-Coat

DECORATOR

FLAT

Retail $4.39 Gal.

One coat sizes, primes and finishes most interior surfaces. Brushes on easily and leaves no brush marks. Covers 400 to 500 sq. ft. per gal. A rich, full bodied, genuine oil paint, fortified with rubber, to assure better adhesion and washability, it dries very quickly (room can be used same day it was painted) to a beautiful long lasting velvet sheen. The following decorator approved gorgeous non-fading colors can be intermixed or tinted with colors-in-oils: Citron, Camelia Pink, Dusty Rose, Tropical Blue, Autumn (Light brown), Cool Blue, Cameo Green, Spruce Green, Pearl Gray, Mist Green, Off White, Pacific Blue (Turquoise), Flamingo, Aqua, Buttercup, Wedgewood Blue and White.

Rubberized, One-Coat Decorator Flat **$3.29 gal.**

Staley's Famous

POLAR WHITE

House Paint

Retail $4.75 Gal.

For a bright new appearance that'll last 2 years or more, use this superb house paint; it's made with pure white lead, titanium, zinc and linseed oils! One coat covers on wood, masonry or metal. Self-cleaning, chip, crack and peel resistant. Covers approximately 350 to 400 sq. ft. per gal.

Polar White House Paint **$3.56 gal.**

Staley's

Re-New-It

SUPER One-Coat

ENAMEL

Retail $7.35 Gal.

The new miracle plastic finish that looks and washes like porcelain tile. Super elastic, super tough, super durable, waterproof, soap proof, alcohol proof, weather proof, wear proof—just about "Fool-proof". No offensive odor. Use it on any surface-on autos, boats, lawn chairs, walls, woodwork, furniture—indoors and outdoors. Covers 500 sq. ft. per gallon. Dries in 2 to 4 hours. Choice of following beautiful colors: White (absolutely non-yellowing), Pink, Mist Gray, Canary Yellow, Jade Blue, Light Oak, Turquoise, Bright Green, Jade Green, Chinese Red, Pale Ivory, Royal Blue, Fiesta Rose, Jonquil Yellow, Baby Blue, Rich Coffee and Apple Green.

Re-New-It Super One-Coat Enamel **$5.50 gal.**

Safe, Clean, Automatically Controlled Heat—When You Want It—Where You Want It Without Attention.

modern . . . automatic . . . safe . . . efficient

Save on installation costs!

Suburban Forced Air Counter-Flo models are the easiest vented wall heaters on the market to install. All controls are factory installed and wired. Each unit is shipped completely assembled and wired for time-saving installation. The entire heater is then easily fitted into the wall opening. Holes are provided in heater bottom for gas line and electric service entrance.

Suburban units fit between standard studding on 16" centers. No cutting of studs. No re-plastering. No redecorating. No additional openings in wall above heater. No streaking of walls because heat is forced out at floor level. No hot walls. Patented vent connector assures gas-tight fit between draft diverter outlet and vent pipe.

All models designed for varying wall thickness. No furring out of walls necessary. Simple, easy to follow, step-by-step installation instructions with each unit.

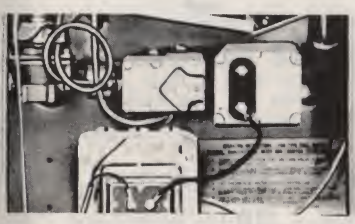

Suburban automatically controlled forced air models give uniform temperatures from floor to ceiling. The fan at the top draws air *in* through top grille. Air is recirculated, re-heated and forced *out* through bottom grille over the entire floor area. There's a constant forced circulation of heated air into every corner. Suburban keeps floors warm. No cold ankles. Healthful for small children and old folks.

Fully Automatic Temperature Control! Suburban fully automatic models require no attention, no bother in operation. Thermostatically controlled, they produce and maintain room temperature exactly as desired. No over-heating, no wasted fuel.

The heat exchanger is fully porcelain enameled inside and out . . . especially designed for maximum heat transfer surface . . . interior baffling gives even heat distribution. *Heat exchanger is guaranteed for 20 years!*

100% Safe! 100% safety pilot valve automatically shuts off in case of flame failure. A built-in draft diverter assures proper mixture of cool air with hot flue gases—prevents overheated vents. All flue gases are discharged safely through flue outlet to the outside of house. All seams electrically welded—prevents combustion products leaking into house. All models are fully approved by A.G.A. under latest requirements for natural, manufactured, mixed and Liquefied Petroleum gases.

Easiest possible handling! The completely assembled unit is contained in one compact crate. No separate packages to be lost.

Controls factory installed. Controls are properly wired and aligned at the factory to insure maximum efficiency. No separate controls packages to lose or become separated. Makes heater installation a quick, easy operation.

Permanently sealed fan motor. Fan mounted in top of forced air models. Pulls air in top, forces heated air down and out at bottom. Motor never needs oil or attention. Quiet running, no noise, no rattle, no vibration.

ATTRACT BUSINESS WITH THE REVOLVING LIGHT SENSATION

THE NEW TRIPPE MULTI COLOR HI-BALL MARK III

360° REVOLVING LIGHTS

60 BRILLIANT FLASHES A MINUTE

EACH A DIFFERENT COLOR!

the NEW AMAZING 360° REVOLVING LIGHT SENSATION!

NEW TRIPPE MULTICOLOR HI-BALL MARK III

Fascinating just to watch it! Business increases substantially from the first day of operation. The new multicolor MARK III is an eye-compelling light, motor-driven, casting a different color beam every second—60 colored flashes every minute. Designed specifically to attract—MARK III is built to catch the customer's eye and bring him in. Covers 360° like an airplane beacon. Does not conflict with traffic signals. Made like a fine watch to run trouble-free indefinitely from 40° below zero to the hottest days. Vitreous enamel housing lasts indefinitely — corrosion proof!

MARK III ONLY **$49.50** Each Post Paid

2 FOR **$89.50** Post Paid

Mark III is a beautiful light 9½" in diameter, heavy glass heat-resistant dome, attached to body by stainless steel retaining ring with snap fastener for easy clamping. Body is expensively and exquisitely finished in genuine turquoise blue vitreous enamel with standard ½" mounting nipple for easy attachment to pipe or flat surface. Interior: Gold anodized. Four f2½ parabolic lenses, clear, amber, blue and green is standard. Any other combination of clear, green, blue, amber, or red may be specified at no extra cost. 115/120 volt synchronous motor 15 R.P.M. and 75 Watt A-19/CL Standard G.E. Bulb. Weight 10 lbs.

THE NEW SINGLE COLOR MARK V BEACON LIGHT

FOR A SINGLE FLASH OF GREAT POWER

Designed for uses requiring a single flash only, of great power. Color may be red, green, blue, amber, or clear. Wherever its use would not conflict with traffic regulations, it may be used outdoors to attract attention from a distance, or wherever a warning light of great power is required. MARK V is a cylindrical light 6 inches in diameter by 12 inches overall. Body is finished in heavy chrome plate, ½" mounting nipple, decorative finial. Lucite lens 1/8" thick supplied in any of above 5 colors. Accurate f/1¼" parabolic aluminum relfector, vacuum plated 115/120 volt synchronous motor driven at 60 RPM around 100 watt light source. FRONT OFFICE FIXTURES

SIZED AND COORDINATED FOR ANY INSTALLATION

Shown in the following section are 28 individual pieces of Motel and Hotel front office fixtures in the latest modern decor. These units were specifically designed to provide a choice of combinations to fit the available floor space and individual requirements of smaller and larger establishments.

All units shown are engineered to fit, and will last for many years with daily hard usage. Construction is superior and reinforced. Only select northern hardwoods and choice western fir plywood are used throughout. All tops are extra strong and fabricated from especially constructed counter top material. Black recessed bases prevent scuffing. Only top quality national brand name hardware is used. Finishes used are practically scratch-proof and will resist wear, abrasion, chipping and cracking. The finish can be scrubbed and scoured thousands of times without harming its beauty. Washing the units occasionally will keep them new-looking over the years.

All units are available finished in velvety-soft, low-sheen, multicolor textured enamels, integrally color-flecked in one or more harmonizing tones. Color-flecked sky-blue, a house and garden color, will be furnished on all units shown at the prices quoted. For an additional 10%, any standard multicolor combination, solid colors, or custom color combinations may be provided. Color charts will be provided on request.

The unique multicolor textured enamel finish is most highly recommended for front office installations. The semi-gloss sheen achieves a quiet dignified beauty. The color-flecks provide the hiding power of stippling and the dramatic effect of "Spatterdash". It cleans easily. Ink and grease, soil and dirt are quickly removed WITHOUT SURFACE DAMAGE.

Illustrated above are GF 60 combination Show Case and Registration Counter, CC-4 Corner Cabinet Counter assembly with swinging gate and hinged Counter section, CRD-1 Cash Register Counter and KL-30 Key and Letter Rack.

PORTABLE REGISTRATION CARD FILE

This sturdy portable Registration Card File was designed for desk use, but may also be screwed to the wall by the back cover to provide a free-swinging Guest Information Rack. The warp-proof binder is luxuriously bound in heavy long-wearing black levant leather-grain vinyl and holds from one to four or more hinged pocket-type card files bound in the same material. Each hinged unit is designed to hold 15 registration cards or room information cards. Accommodates registration cards up to 4" x 6" in size. Use Registration Card form Nos. 421, or 425, shown on Page 104. All other Registration Cards shown in this catalog may be used by writing guests' names on the reverse side ot the card. Allows instant reference to occupied and vacant rooms and shows guests name and room number. Individual pockets are 3⅛" deep, 6¼" wide with a ⅞" top exposure for guests name. Overall size of the binder is 11¾" x 17¼".

Binder is stamped with your business name and address in genuine 24K gold leaf on the front cover at no additional cost. Each hinged unit is stamped in 24K gold leaf with the room numbers you specify.

BINDER complete with one hinged unit of 15 Pockets

$9.95

Additional hinged units of 15 Pockets

$5.95 EACH Shipped F.O.B. Missouri Factory

REGISTRATION CARD RACKS

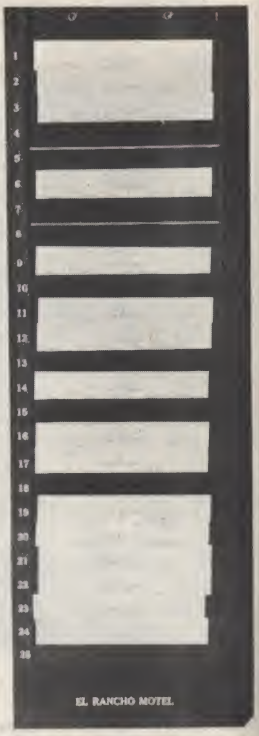

Model R-15 and Model R-25 Registration Card Racks, designed for instant room reference and locating guest by name, will accommodate 4" x 6" and 4" x 4¾" Registration Cards. Pockets are 3⅛" deep by 6¼" wide, allowing a ⅞" top exposure for showing of guests' names opposite the room number. For these racks, use Registration Card Forms No. 421, or 425, shown on Page 104. All the other Registration Cards shown in this catalog may also be used by writing guests' names on the reverse side of the card.

Model R-15 has 15 numbered pockets and Model R-25 has 25 numbered pockets. Each rack is grommetted at the top for mounting on the wall either single or in series, and as many units may be used as required by the number of rooms. Standard consecutive room numbering in genuine 24K gold leaf is imprinted to your specification at no additional cost. (A $1.50 charge will apply for special numbering.) When ordering, please specify room numbers desired.

Racks are warp-proof and are bound in attractive, heavy, long-wearing black levant leather-grain vinyl, embossed in genuine 24K gold leaf with your Hotel or Motel name and room numbers.

MODEL R-15 (15 Pockets)
Overall Size 8" x 16½"
$5.95 EACH

MODEL R-25 (25 Pockets)
Overall Size 8" x 25½"
$7.95 EACH

REGISTRATION AND ACCOUNT CARD RACKS

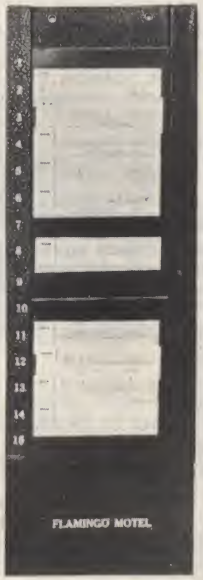

Model A-15 and Model A-25 Registration Card Racks are designed for lengthwise insertion of 4" x 6" Registration Cards and 4" x 6" Combination Registration and Account Cards. Pockets are 4½" wide, with a ⅞" top exposure. After the guest registers, the name and room number are written on the account side or the back of the registration card so that they will appear in the exposure provided in each partition of the rack. The card is then placed in the rack to show room occupancy.

Model A-15 has 15 numbered pockets and Model A-25 has 25 numbered pockets. Each rack is grommetted at the top for mounting on the wall either single or in series, and as many units may be used as required by the number of rooms. Standard consecutive numbering in genuine 24K gold leaf is imprinted to your specification at no additional cost. (A $1.50 charge will apply for special numbering.) When ordering, please specify room numbers desired.

Models A-15 and A-25 are particularly suitable for the use of Room Information Cards, which are inserted lengthwise, to provide information concerning reservations, inventory, out of order, on change, or vacancies.

Racks are warp-proof and are bound in attractive, heavy long-wearing black levant leather-grain vinyl, embossed in genuine 24K gold leaf with your Hotel or Motel name and room numbers.

MODEL A-25 (25 Pockets)
Overall Size 6" x 27¼"
$7.95 EACH

MODEL A-15 (15 Pockets)
Overall Size 6" x 18¾"
5.95 EACH

THE REMIND-O-TIMER

REMIND-O-CLOCK

SET IT! FORGET IT!

Reminds You On Time — Every Time

Will Pay For Itself Many Times Over In Preventing Costly "Slip-Ups"

When a guest says, "Call me at 7:00 A.M." and another says, "Call me at 7:30A.M." and another at 8 o'clock, an so on, throughout the day or night; you never forget these Calls if you use a JAMES REMIND-O-CLOCK in connection with **Call Sheets** shown below.

The clock keeps track of all these calls by sounding a BUZZER each time one is to be made. It never forgets! BUZZER can be adjusted for soft, medium or loud alarm.

NEW MODEL J

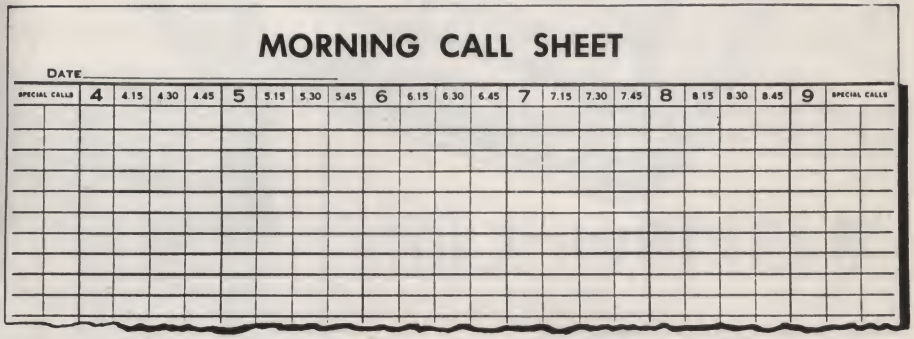

$34.95

Includes Federal Ex. Tax

OPERATES ON A.C. CURRENT 110-125 VOLTS

SIMPLE TO OPERATE — The buzzer is set by merely moving a series of small keys, located around the clock face. As many as 48 "reminders" may be set up 12 hours in advance, at either FIVE or FIFTEEN minute intervals.

COMES IN A WALNUT COLORED PLASTIC CASE OF PLEASING DESIGN, WITH SPECIAL "HOLD-DOWN" FEATURE TO PREVENT DAMAGE OR THEFT.

Leaf Mulcher Attachment Included As Standard Equipment

SPECIFICATIONS

CHASSIS: One-piece heavy 14 gauge stamped steel, ribbed reinforced. Well-designed with offset discharge chute and staggered wheels.

TRANSMISSION: Gears, enclosed in grease-filled housing, power dual serrated-steel drivers which propel rear wheels. Power from engine transferred to gears by a special oil-and-heat-resistant "V" belt, easily accessible for servicing. Transmission protected from overloading by automatic spring-loaded tension device.

HANDLE: Chrome plated tubular steel with plastic grip. Has "Deadman" control—mower moves forward only when handle is raised. Drop the handle—unit halts. Is easily convertible to push-type mower—handle can be locked in place for free wheeling.

REMOTE CONTROL: Simple one-knob control sets engine to start, run and stop. No bending required to regulate or adjust.

RECOIL STARTER: Grip conveniently located on handle—eliminates chassis "lift-up" when starting mower.

BLADE: One-piece austenized alloy steel. Easily adjustable from 1½" to 2¾" heights.

WHEELS: Front-8x1¼". Rear-8"x1¾". All semi-pneumatic tires.

FINISH: Red baked enamel with white engine and chrome handle.

WEIGHT: 73 lbs., net. Shipping Weight-80 lbs.

Model M-95 with 5½ H.P. Lauson Engine Only $179.50

Smooth Cutting! Close Trimming!

Choice of 2 Models
2 Horsepower Ratings - 3 H.P. & 5½ H.P.

SPECIFICATIONS

CHASSIS: Heavy Tubular Steel Safety Frame. Heavy 14 Gauge Steel Platform. Steel Safety Guards and Foot Rests. Twin-discharge chutes prevent grass clogging. (Leaf mulchers are included) Fenders Front and rear.

ENGINES: Model M-55–New 3 plus H.P. heavy-duty 4 cycle Clinton cast iron engine. Recoil starter. New low tone muffler. Model M-95–New 5½ H.P. 4 cycle world-famous Lauson high compression engine. Touch-a-matic control. Choke throttle and shut-off controlled from handle. Low tone muffler, Recoil starter. As much power as will ever be needed.

BLADE: Special 24" suction type heat treated hardened tempered steel. Easily adjustable from 1¾" to 3½" heights.

TRANSMISSION: Heavy duty driving gear assembly runs in a sealed oil chamber, assuring life-time trouble-free service. Worm gear drive prevents overrunning and provides safety neutral.

CONTROLS: Airplane type, mounted on steering handle control speed (from idle to 4 m.p.h. maximum) and forward and reverse movement.

WHEELS: Dual wheels throughout (all rear wheels drive) to assure perfect traction. Model M-55–Two semi-pneumatic 9½x1.75 tires in front. Four semi-pneumatic8x1.75 tires at rear. Model M-95–Two semi-pneumatic 9½x1.75 tires in front. Four semi-pneumatic 10x1.75 tires at rear.

WARRANTY: 1 year warranty on engines–90 days on all other parts. Model M-95 has special 90 day warranty on engine crankshaft against damage from blade shock.

PACKING: Completely assembled, except handle which attaches with one bolt.

FINISH: White enamel with engine, seat and handles in red.

SHIPPING WEIGHT: Model M-55, 167 lbs. Model M-95, 178 lbs.

AT LAST! GIANT COOLING POWER with 1959 PORTABLE MIGHTY-MITE AIR CONDITIONERS

IN 1/2 HORSEPOWER & 1 HORSEPOWER MODELS BY WELBILT!

The Welbilt Mighty-Mite Portable Air Conditioners are made possible only because of a newly designed compressor by Tecumseh which permits real refrigerated air conditioning in a unit lighter and smaller than ever before. **1959 IS THE FIRST YEAR ONE HORSEPOWER PORTABLE UNITS HAVE BEEN AVAILABLE!**

- Designed for installation in both casement and double-hung windows. It may be easily transferred from one location to another and may be plugged into any outlet in your regular 115 Volt circuit – no special wiring required as Mighty-Mite draws no more current than an electric toaster.
- As much cooling power as many full size 1 H.P. air conditioners, yet the Mighty-Mite Welbilt measures only 14½" wide, 10½" high, and 19" deep!
- Deluxe Features usually found only in higher priced models. Quiet-Guard – for hush-quiet night cooling. 2 Fan speeds. High Speed for maximum daytime cooling and Quiet-Guard for restfully quiet night cooling. Automatic Thermostat – Guards the temperature in the room. Keeps air at one constant pleasant level of cool comfort.
- Permanent lifetime filters – do not need replacing!
- PowerMaster Coils for giant cooling power!

Full 5-year warranty on entire refrigerant system.

THE MODERN SOLUTION FOR YOUR "EXTRA CAPACITY" NEEDS!

BURTON-DIXIE'S NEW SLEEPCART

So Easy TO STORE

So Easy TO MAKE

So Easy TO MOVE

COMPLETE WITH INNERSPRING MATTRESS

STEEL FRAME: Heavy duty with double link construction designed to give maximum support. Strap for easy effortless closing. Special handle, two large rubber tread ball bearing wheels plus four no-mar casters on bottom make Sleepcart easy to move where ever desired. Doorways and stairs are no longer a problem.

INNERSPRING MATTRESS: Two deluxe heavy duty comfort-built 45-coil firm innerspring sections, covered in long-wearing ticking, securely hinged together—no distortion when mattress is folded. Insulated with "Si-Latex" to prevent "Spring Feel". Button tufted to prevent shifting. Special insert border wire provides "Ever Level" edge.

No. 235 Sleepcart-Packed 2 per carton. Single pack available for 50¢ extra, each unit.

2'6" Size	$34.75 each
3'3" Size	$41.25 each
4' Size	$47.75 each

Shipped F. O. B. nearest of Four Factories: Dallas, Denver, Kansas City, Chicago
